IV&V and QA – Corporations and Charities System Replacement
Amendment 1
December 21, 2015

This Amendment provides clarification to paragraph 2 of section 1.3. The clarified and restated paragraph 2 of section 1.3 follows:

The Consultant must not share financial or other interests in Development Contractor or its affiliates or have any relationship with the Development Contractor that could possibly corrupt the motivation of such Consultant. Consultants must disclose to OSOS any potential conflict of interest with Consultant's ability to effectively conduct IV&V and QA as it pertains to deliverables created by PCC. OSOS, at its sole discretion, shall determine if such a conflict exists.
